MISSION STATEMENT

At Listerdale, we will inspire children to have high aspirations for individual achievement. Our aim is to empower them to be active and inquisitive thinkers through a creative, inclusive and engaging curriculum. We will promote the values of resilience, respect and equality enabling our children to thrive in today’s diverse and ever changing society. We are nurturing today's minds for tomorrow's challenges.

1. Objectives

It is the objective of the Academy to provide an inclusive educational environment for each pupil with the opportunity to fulfil his/her potential using best endeavours to secure special educational provision. We therefore aim to ensure that:

- All teachers have high expectations of pupils with SEN, including a commitment to ensuring they can achieve their full educational potential.
- All teachers deliver high quality provision to meet the needs of pupils with SEN.
- We operate a zero tolerance policy on bullying.
- We identify and assess pupils with SEN as early as possible and provide a flexible and staged structure of provision to meet all identified needs.
- We collaborate with education, health and social care services to provide resources to meet the needs of pupils.
- Teachers are responsible and accountable for the progress and development of all the pupils in their class, including where pupils access support from teaching assistants or specialist staff.
- All staff develop their awareness of special educational needs and focus on inclusive practice to remove barriers to learning with access to a broad, balanced yet relevant mainstream curriculum which is differentiated to ensure continuing progress.
- All pupils with SEN to be actively involved in the decision making process and be allowed to express their views, wishes and feelings. These views will be taken into account when planning their curriculum giving them greater choice and control.
- We involve parents/carers as partners in the education of their children and provide them with the information and support necessary to enable participation in decision making.
- Pupils with SEN engage in the activities of the Academy alongside pupils who do not have SEN. This reflects their rights as stated in the Children’s Act 1989 and the Equality Act 2012.
- All pupils are valued equally as individuals taking into consideration other factors which contribute to learning, behaviour, wellbeing and state of mind.
