

## Curriculum Overview

What we are learning about in Year 1  
during Half Term 4

In Maths we will be learning to....

- Place value within 50
- Multiplication—2's, 5's and 10's
- Fractions—half
- Consolidating addition and subtraction within 20

ENGLISH

Our book for this half term in English will be Vlad and the Florence Nightingale adventure, The gingerbread Man and Little Red Riding Hood

phonics

In phonics this half term we will be focusing on phase 5 digraphs and . Children will also learn how to pronounce alternative graphemes or sounds that they already know e.g ie as in pie and ie as in shield. Please see the phonics page on the school website for a glossary of terms.

Our Science topic for this half term will be **Everyday materials**. In this topic we will learn...

- What are materials?
- What makes materials different?
- What materials are toys made from?
- Can you design an object?
- Can you compare like a Scientist?
- Do we use different materials for different jobs?
- Should we treat all materials the same?

## Wider Curriculum

In Computing we are looking at grouping data. We will focus on looking at how we can describe the data to be able to group it in different ways.

Design & Technology

In D&T we are looking at mechanisms. We are going to investigate sliders and levers before designing and making our own.

In RE we will be looking at what it means to belong to a faith community.

This half term we are looking at Observational drawing. Our artist we are studying is Lydia Monks who is an illustrator. We will be creating a drawing in the style of her work.

Our focus in PE will be throwing and catching and team games with a focus on hand ball and tag rugby

In History we are looking at Florence Nightingale. We are going to explore what she did, why she is significant and why she is still remembered today.

In RSHE we will be looking at what makes a family and online safety.
