day

Times tables—test in school on a Monday

Curriculum Overview

What we are learning about in **Year 6** during **Half Term 4**

In Maths we will be learning:

Geometry: Properties of shapes
Measurement: Perimeter, Area
and Volume
Statistics
Ratio
Algebra
Recap of arithmetic

Our book for this half term in English will be

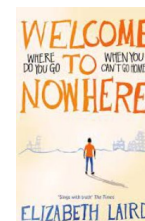

Holes by Louis Sachar

We will be writing to persuade by producing a persuasive leaflet for parents to send their child to Camp Green lake and writing to entertain by creating a character description of The Warden

Our book for this half term in Reading Skills will be **Welcome to Nowhere by Elizabeth Laird**

The skills we will focus on are **vocabulary, inference, prediction, explanation, retrieval and sequencing.**

Our Science topic this half term is **Food and Nutrition** The enquiries we will cover are:

What is a diet?
How does the digestive system work?
What do our kidneys do?
Are all drinks the same?

The scientific skills we will cover are:

asking questions, observing, recording, interpreting and communicating data

Wider Curriculum

Our focus in RE this half term will be researching and understanding the question **"What do religions say to us when life gets hard?"**

Our Geography topic for this half term is **Power!** We'll be looking at where our energy comes from and answering the enquiry questions
What are fossil fuels?
What is renewable energy?
How does this cause climate change?
Are we over using our natural resources?

Our art topic for this half term will be observational drawing. Pupils will practise skills such as **contour, hatching, cross hatching** and **stippling**. We will then create a final piece based on fruit/food linking to our science topic

In computing we will be creating online webpages.

In RSHE we will be answering the questions:
Why do some people take drugs?
Where should I get my health information?
How do I save a life?

Our focus in Spanish will be:
Festivals in Spain, opinions and reasons, countries, languages and nationalities and holiday destinations

Our focuses in PE will be **tag rugby** and **handball**
