Striving for **Excellence**
Empowering Achievement
Shaping **Learning**

Dear Parents/Carers,

21st November 2025

Over the past few weeks, we've been monitoring start times and traffic around school. As many of you will agree, it can get very busy—and at times, even dangerous. Our priority is to keep everyone safe and ensure children arrive on time for learning.

School Gates & Start Times

- **Gates open:** 8:30 AM
- **Doors open:** 8:40 AM – 8:45 AM

We've noticed some children arriving at 8:45 AM, which means they are only just entering school when learning should be starting. Please aim to arrive before this, so your child is in the classroom by 8:45 AM ready to begin their day.

If you arrive after 8:45 AM, please go to the school office to register your child. Your support in arriving on time makes a big difference!

Parking & Traffic

We've noticed heavy parking outside school, which causes delays and congestion. To help:

- **Park and Stride:** Please consider parking further away and walking in. This reduces congestion and promotes active travel.
- **Beefeater Car Park:** Families can use the Beefeater pub car park—just remember to register your number plate.

Children are rewarded for active travel, so this benefits them too!

Trial One-Way System

If you must park near school, please try a one-way system:

- Enter Beech Avenue via the service station side
- Exit down onto Bawtry Road

This should help traffic flow more smoothly. A map is attached for guidance.

We truly appreciate your support. We know mornings can be challenging, but working together will make a big difference for safety and a calm start to the day.

Thank you for helping us keep our school community safe and on time!

Children in Need

Thank you to the families who supported us with Children in Need last week. We raised £127.15.

Have a lovely weekend.
